YOUR DREAM. WHICKER CONSTRUCTION.
Don't settle for a cookie-cutter house.

If you want more than picking from a catalog or a paint-by-numbers production, we can help. Each of our custom homes is one-of-a-kind, tailored to fit your family's personalities, lifestyle and needs.

WHAT MAKES US WHICKER:

1. **Select your homesite**
   If you don't already have land in mind, we'll help you find the perfect plot and community to fit your lifestyle.
2. **Design your home**
   We can match you with the best architect or designer for your taste and budget to design a home that is uniquely yours. If you already have plans, we can work with those as well.
3. **Secure financing**
   As soon as your finances are in place, we'll start building your dream home!
4. **Personalize your home**
   We'll walk you through decisions on products and materials for your home to finalize a budget.
5. **Sign your building agreement**
   We'll review all your plans, pricing, details and decisions before breaking ground to avoid any surprises.
6. **Construction**
   You'll be kept informed at every stage of the build with regular progress reports and on-site updates to keep you in the loop.
7. **Welcome home!**
   When the build is complete, you'll get a detailed walk-through and demonstration of every facet of your new home, including its warranties. We'll also schedule a 60-day follow-up appointment to address any issues or questions that might arise.

From our first conversation to long after you move in, we'll work closely with you to create peace of mind, a long-lasting relationship and a beautiful, custom house you'll be proud to call home.

Are you ready to bring your unique vision to life?
